

UiB Ferd Newsletter for November/December 2023

Welcome to our monthly newsletter! As the holiday season approaches, you might be planning a well deserved rest, or perhaps dwelling into a pile of student papers to review. Nevertheless, you deserve to take a gingerbread break and refresh your skills. What about joining the event “UiB Ferd Mock Interview”?

Upcoming courses and events

Have you considered getting engaged in an early-stage researcher association?

[UiBDoc](#) is a non-profit interest organization for PhDs, postdocs, and other temporary scientific staff at UiB. The aim of UiBDoc is to assist our members with career development, influencing university policy in favour of our members and provide social support. Follow also at [facebook](#).

[The Norwegian Organization for Early-Career Researchers](#) is a membership-based organization, whose purpose is to represent the varied interests of all early-career researchers working in Norway. Follow at @ferskforsk

[PhD on Track](#) is a national web resource for PhD candidates and early career researchers in Norway. The website aims to enable beginning researchers from all academic fields to easily access information on different aspects of the process towards a PhD degree.

UiB condemn all violations of international law

Read the [Safe School Declaration](#) that Norway together with 118 countries has signed. [Rector Margareth Hagen](#) express her deepest sympathies for people affected by war.

Individual Career Guidance

The career center has available capacity for individual career guidance. The service is for all early career researchers at UiB. A career conversation can be about a specific career challenge, or more loosely formulated about analysing opportunities and limitations.
