NEWS FROM INTERNATIONAL HR
October 2023

As the days are getting shorter, it is becoming more important to use a refleks. A refleks can loosely be translated to a reflector as it is something to increases visibility in the dark by reflecting light. Refleks is important in Norway, as shown by the event “Refleksdagen” which is 21st October.

Daylight Saving Time is 29th October, and the clock will be set back one hour – resulting in less daylight in the evenings but an extra hour of sleep on the 29th.

31st October is Halloween and although it is not as widely celebrated as in some other countries, people may dress up in costumes, children go trick-or-treating, and some houses and businesses decorate with spooky themes.
Upcoming events at the International Centre

Introduction to tax
Sign up and join us for an online informative meeting about how to pay tax in Norway. This is helpful if you are moving to Norway, shifting between Norway and other working countries, or working from abroad. We have this seminar two Fridays per month, from 11:00 to 11:30. The next seminar will be on October 20th. Register in this form to choose which date you want to sign up to.

Introduction course for new employees
This course is step 2 of our introductory seminars for new international employees. The course will take place on October 13th from 12:15 to 15:15. The doors open a bit in advance, so you have the chance to have a coffee and snacks and get to know each other. You can register here (even after the deadline has passed).

Get established in Bergen
Once you have had your meeting with the Tax Administration and/or police at SUA, it is important to make sure you have your name clearly marked on your mailbox to receive post sent from them. If you have not heard from them within one month after your appointment, you may contact them directly. Once you receive your ID number and access to the Self-Service Portal (DFØ), make sure to update your contact information, as well as your next-of-kin. To register your ID number and tax information at UiB, please send your ID number to the payroll office at post@lonnskontoret.uib.no.

Make sure to always use your private email address when you contact public offices. This is to ensure that even when you leave UiB, you can receive important information from them. If you move within Norway, or leave Norway, make sure to always update your address.
For more information about arriving and establishing in Norway, please see our website for incoming staff.

Norwegian course
Application deadline for next semester is December 1st, so remember to sign up before this, more information here.

Once you sign up for the course, we highly encourage you to see it through. The course is usually full, and it is not fair to UiB and other staff/students to take up the space if you do not plan to attempt to complete it.
